WELCOME

MESSAGE

Founded in 2020 in Nairobi West, Purple Heart Landscapers is a fast-growing company that provides affordable, high-quality services to customers who value natural surroundings and want to embellish their houses or offices with beautiful gardens, plants, and flowers.

The company owns a plant nursery with flowers and plants to give customers the best prices for landscaping services.

Purple Heart Landscapers hire skilled architects and florists to satisfy the most demanding clients' needs. Currently, the company can create potted plants, flower arrangements, pools, fountain irritations, and outdoor landscaping designs. These are all considered essential in Nairobi and its environs, where design and architecture are deemed essential for a comfortable life.

LEGAL STATUS

Certificate of Incorporation:	PVT-7LUEB79
Date of Incorporation:	24th April 2020
KRA Pin:	P051903029D
AGPO Certificate:	NT/PPD/2023/DGW/7855

VISION

To be a creative, trendy, and hard-working team of designers, architects, and gardeners ready to fulfill the dreams and desires of the most demanding customers and quick to respond to trends and new developments in flower arrangements and landscaping designs.

MISSION

At Purple Heart Landscapers, every employee is valued for contributing to providing immaculate services to clients. Every employee is a team player expected to perform assigned duties to the fullest capacity and potential. The company invests time and funds into training new specialists and enhancing the skills of already qualified professionals who want to improve and be capable of designing the most outstanding outdoor and indoor landscapes.

MISSION STATEMENT

- Provide high-quality and affordable landscaping services.
- Provide the most beautiful floral arrangements for various functions (s).
- Develop and maintain strong bonds with clients to ensure satisfaction and client retention.
- Create a social presence to communicate with clients, get feedback, share past work experiences, and provide online consultations.
- Make continuous efforts to improve landscaping services and develop new skills to complete new projects.
- Maintain professional relationships within the team and ensure all employees work towards a specific company goal.
- Build strong connections with suppliers and other third parties that may be involved in the design and implementation of landscapes.

“Purple Heart Landscapers view outdoor landscaping as one of the most effective tools for improving one’s surroundings, lifting the mood, and creating a balance between concrete buildings and soft, peaceful gardens.”

OUR OBJECTIVES

The commitment to the requirements and needs of clients as well as the establishment of a high standard of landscaping and floral arrangement services, ensure that every client is satisfied and is left with a good impression to recommend the company to friends, family, and colleagues.

Purple Heart Landscapers makes sure to communicate every detail of the process. By doing so, the company has achieved a high-performance indicator of client satisfaction via providing innovative designs that do not cost a fortune.

PAST PROJECTS

Purple Heart Landscapers has provided immaculate landscape design services for almost three years. Among the most prominent projects are the Southern by-pass landscaping and maintenance project and Enja Ltd grounds landscaping, among others

Our past projects reflect a high level of professionalism, making us stand out amongst our competitors in the industry. With the help of our highly skilled and experienced personnel, we have executed multiple projects of multiple scales. We have consistently met the evolving needs of our clientele while ensuring that the outcome of our execution envisions their preferences, objectives, and taste.

FUTURE GOALS

Our future goal is to broaden our jurisdiction of operation to cut across the East and Central Africa Region. We intend to integrate teams and partnerships from across our borders to enrich our portfolio and reinforce our creative capability by embracing more diversity

We intend to position ourselves as the most preferred landscape consultant by adequately introducing new concepts in the practice while matching global standards.

CLOSING STATEMENT

“We are not just in the business of fulfilling and delivering services to our clients. We are deliberate about ensuring that we can uniquely address the needs of all projects, regardless of their scale.

We listen to the needs of our clients and blend their thoughts with ideas from our creative teams.

From our portfolio, we boast of being among the few companies in the sector that have been able to execute in sophisticated environments.

Reach out to us today and let us mold excellence out of our craft.”
